

ALIYAH PROGRAMS

*Working together to create holistic
integration process*

08.08.2017

הסוכנות היהודית
JEWISH AGENCY
FOR ISRAEL ישראלי

What is a professional “Aliyah” plan?

- Combining structured language learning process and acquisition of a new profession / retraining
- Predefined time: start and end
- An ongoing process in a limited period of time - usually between 11-18 months, in a known absorption program
- Group program
- The purpose of the process - integration into the world of employment

Program characteristics:

1. Hebrew “Ulpan”
2. Professional aspect- training / conversion / preparation
3. Placement for work
4. Acceptance criteria: professional, educational, age, special requirements
5. Recruitment and marketing in the country of origin
6. Immigrating at a specific time to a predetermined location
